## *Memorandum*

*To: League Officers*  
*From: James Teuber*

*Subject: Facility Consolidation*

It is with a heavy heart that we must announce the need to consolidate our bowling center business from three locations to two. We have been fortunate to operate bowling centers in this community for the past 25 years and to successfully operate three for the past 12 ½ years. However in the current economic environment there is just not enough business to justify having 3 large buildings, staff, and maintenance, necessary to operate all of them.

After considerable thought analyzing the age of the buildings, location, equipment and such, we have determined the best course of action for us as a company would be to close our Davison Rd. Location Nightingale Lanes. It is our goal to have the consolidation completed by 12/31/2011. We are currently making plans for all of our scheduled business and leagues. We have space on the same day and time for all of our leagues at the other two locations except two and we are working diligently to find solutions for them as well.

If you have questions or concerns specific to your league or group please call any of the bowling centers immediately and they will forward your call to Sara or myself right away in order to address the concern.

Thank you in advance for your patience and understanding in this matter, and for your past and future business.

Sincerely,

Jim and Sara Teuber
